HENRY K. OLIVER, M.D., Physician to the Boston Dispensary.

CALVIN G. PAGE, M.D., late Surgeon Mass. Vols.

A. B. PALMER, M.D., Professor of Pathology and Practice of Medicine in the Berkshire Medical College.

PLINY EARLE, M.D., Superintendent of Insane Asylum at Northampton.

LUTHER PARKS, M.D., Boston.

O. D. POMEROY, M.D., Surgeon to Northern Dispensary, New York.

DAVID RICE, M.D., Leverett.

FRANCIS P. SPRAGUE, M.D., Surgeon to Massachusetts Charitable Eye and Ear Infirmary.

W. A. THOMPSON, M.D., Northampton.

PETER D. WALSH, M.D., Boston.

JAMES C. WHITE, M.D., Physician to Out-Patients Massachusetts General Hospital.

HENRY W. WILLIAMS, M.D., Ophthalmic Surgeon of the Boston City Hospital.

Dec. 14-1878.

INDEX TO THE SEVENTY-THIRD VOLUME.

Abbot, Dr. S. L. Effectual palliative for prolapsus recti, 102; on the use of bromide of potassium in epilepsy, 103; two cases of sudden death following anomalous nervous symptoms, 89
Accomodation, lesion of, after excessive fatigue and exposure, 220
Activity of the respiration, 108
Adipocere, specimen exhibited to the New York Pathological Society, 27
Air, injection of, into abscesses, 347
Albany City Hospital, cases in, 392
Alexander, Dr. C. Case of imperforate hymen, 257
Amblyopia and amaurosis, 349, 372, 394, 413, 433, 455, 472
American Association for the Promotion of Social Science, its organization, officers, &c., 221
American Medical Association, 28; transactions of the, 127
American Pharmaceutical Association, meeting of, with abstract of proceedings, 141
Amputations, statistics of, in "Confederate States army," 445; partial of foot, five cases of, 189
Anencephalous fœtuses, 356
Aneurism of brachial artery, operation, 381; of sciatic artery, cured by injections of *perchlorure de fer*, 127
Antagonism of atropia and morphia, 118
Aphasia, discussion on, 187
Appointment of Chief of Bureau of Medicine and Surgery in the Navy, 48; in Berkshire Medical College, 168; of Prof. T. H. Huxley, at the Royal Institution, 107
Army Medical Board, meeting of the, 127
Army, surgical reports of, 467
Artery, lingual, two cases of ligature of, 214
Atropia and morphia, antagonism of, 118

Baltimore College of Dental Surgery, 48
Barnes, Surgeon General, brevet promotion of, 88
Benevolent Society, Mass., annual meeting, 307
Berkshire Medical College, commencement, 296
Berthelot, M., appointed Professor of Chemistry, 348
Bethune, Dr. George A. Lesion of accommodation after excessive fatigue and exposure, 220
Bibliographical notices, 278, 337, 519
Bifid uterus and double vagina, 262
Bigelow, Dr. H. J. Death from hemorrhage three weeks after confinement, 422
Bisulphite of soda as a remedy in measles and spotted fever, 243
Bladder, cow's, singular tumor in, 217
Blake, Dr. John H. Cases in country practice, 469
Blood, germinal matter of, 406
Books received, 187, 228, 268
Borland, Dr. J. N. Case of pyelitis, 423
Boston Dispensary, 287
Boston City Hospital, surgical cases at, 149, 189, 214, 229, 249, 329
Boston Society for Medical Improvement, 101, 218, 258, 359, 380, 422
Bougie, gutta percha, pieces of removed from the urethra, 260
Bowditch, Dr. H. I. Hydrothorax, paracentesis, 363
Braman, Dr. I. G. Accidental phymosis, 304
Breed, Dr. B. B., brevet promotion of, 108
Brown, Dr. Ira D. Cases in Albany City Hospital, 392; on hypophosphites, 409
Brown Séquard, Prof. C. E., illness of, 208
Buckingham, Dr. Charles E., appointment of in the Medical School of Harvard University, 247
Burnham, Dr. Walter. Cases of ovariotomy, 209; successful removal of hypertrophied uterus, 209
Butler, Dr. L. C. Singular tumor in cow's bladder, 217

Calculus passed per urethram, 258

Calhoun, J. T.. surgeon U. S. A., brevet promotion of, 68
Cairo, Ill., new medical school at, 220
Canada, medical societies in, 368
Carpus, compound dislocation of the semilunar bone of the, 261
Cases in country practice, 469
Cataract, extraction of, 369; of eighty-three years standing, successfully removed in a patient ninety-three years old, 94
Cattle plague, treatment by sulphites, 447
Cavity in parietal bone containing an encysted tumor, 260
Cerebro-spinal meningitis, 356; in Post Hospital, Boston harbor, cases of, 109
Cervex uteri, division of for various uterine complaints, 121
Charrière, Jr., death of, 348
Charities of Massachusetts, statistics of, 485
Cheever, Dr. David W. Party-colored hair, 220; surgical cases by, 149, 189, 214, 229, 249
Childs, Prof. Timothy, decease of, 168
Chinese customs during menstruation, 327
Chittenden County Medical Society, 506; annual meeting of, 246
Chloroform, its action and administration, 519; means of averting death by, 267
Cholera, its devastations in the East, precautionary measures in Massachusetts, 183; the Boston City Government, 244, 266; City Physician's Report on, 244; epizoötiæ precursors of, 247; action of Suffolk District Society, 364, 392; on board the Atlanta, 516; in Egypt, 67; its management, 489; and quarantine, 324, 382; the present epidemic of, 346, 403, 425, 432, 444, 449, 477, 484
City, the sanitary inspection of, 462
Civiale's clinics, 498
Clinical cases in Albany City Hospital, 392
Collins, Dr. G. L. Ovarian tumor, 86; case of glass pessary in vagina fifteen years, 201; absence of vagina, 201; fibrous tumor removed from the breast of a young girl, 201; rupture of stomach, 202; exostosis of odontoid articulation, 202; large foreign bodies swallowed, 240
Commencement at Berkshire Medical College, 326; at Long Island College Hospital Medical School, 48; at the New Hampshire Medical Institution, 366
Communications received, 88, 128, 168, 187, 228, 268
Comstock, Dr. Joseph. On spotted fever in Rhode Island in 1810-14, 237
"Confederate States" army, surgical statistics, 445
Conjunctiva, dermoid tumor of, 389
Connecticut, Valley Dental Association, 308; State Medical Society, communications to, for 1865, 125
Coryza, instantaneous cure of, 507; treatment of, 367
Cork and its uses, 34
Cotting, Dr. B. E. Annual address before the Massachusetts Medical Society, 163; notice of, 333; management of cholera, 489
Curative treatment of phthisis, 65
Cut-throat, three cases of, 229

Death of Dr. Felix Robertson, 27; of Sir John Richardson, 68; of Sir William Hooker, 107; of Prof. Timothy Childs, 168; of Dr. Simeon Snow, 228; of Prof. Chandler R. Gilman, 228; of Dr. John Green, 265
Death, two cases of, following anomalous nervous symptoms, 89; by hanging, 404
Deaths, in Boston, 28, and weekly; of physicians, 68, 108, 128, 187, 228, 268; by lightning in France, 108
Dental Society, Massachusetts, address of Dr. N. C. Keep, 284
Dental Surgery, Baltimore College of, 48
Derby, Dr. George, surgeon U. S. V., brevet promotion of, 88
Derby, Dr. Hasket. Enucleation of eye, 302; report of annual meeting of the Ophthalmological Society at Heidelberg, 203; translation, 349, 372, 394, 413, 433, 455, 472
Dermoid tumor of conjunctiva, 389
Dictionary of Medical Sciences, 337
Diphtheria, cases of, 104
Disease a part of the plan of creation—Dr. Cotton's annual address before the Massachusetts Medical Society, 163
Dispensary, Boston statistics, 287
Dysentery, new remedy for, 95
Dysmenorrhœa, metrorrhagia, ovaritis and sterility, treatment by division, 121
Earle, Dr. Pliny. Report on typhoid epidemic, 129, 155, 169, 247

Egypt, cholera in, 67
Electrical phenomena, singular, following lightning stroke in the human body, 227
Electricity in the treatment of disease, 498
Elephantiasis of scrotum, 429
Ellis, Dr. Calvin. Introductory address at Medical College, 389
Endoscopy, 442
Enucleation of the eye, bony deposits in choroid, 302
Epilepsy, bromide of potass in, 103

Epizoötiæ precursors of cholera, 247
Errors in diagnosis, 234
European schools of medicine, 345
Exostosis of odontoid articulation, 202
Expectant medicine, prize, 286
Extract of meat, 344
Extraction of hard cataract, 369
Extravasation of urine, four cases of, with perineal section, 249
Eye, enucleation of, 302

Fee of M. Nélaton, from the Czarowitch, 127
Feeble-minded Youth, School for, annual meeting of, 227
Female Hospital, its relations with the Massachusetts Medical Society, 481, 504, 527
Female practitioners, 481, 504, 527
Fistula in ano, operation, 496
Fistula, vesico-vaginal, cases of, 329
Food, the preservation of, 38
Ford, Dr. C. L. Report on epidemic of typhoid fever, 129, 155, 169, 247
Foreign medical intelligence, 107, 504
Foreign bodies, large, swallowed, 240
France, suicide in, 447

Gazette Médicale de Montreal, 65
Gilman, Prof. Chandler R., death of, 228; resolutions on, 264
Glandular proliferous cysts of the breast, 259
Gould, Dr. A. A. Case of sudden death, 423
Graefe, Prof. A. Von, on amblyopia and amaurosis, 349, 379, 394, 413, 433, 455, 472
Gray, Dr. F. H. Mortification of nates, 362
Greene, Dr. James S. Case of cerebro-spinal meningitis, 356
Green, Dr. John, action of Worcester District Medical Society on the death of, 265
Green, Dr. S. A., appointed superintendent of Boston Dispensary, 306

Hæmatoma, pelvic, 360
Handbook of Practice for 1865, 284
Hanging, death by, 404
Harvard University, introductory address on the relations of health and disease, 289, 305
Hay, Dr. Gustavus. Extraction of cataract, 369
Health and mortality of New York, 66
Heard, Dr. J. Theodore, surgeon U.S.V., brevet promotion of, 128
Hemorrhage three weeks after confinement, death, 422
Hernia cerebri, case of, 200
Hernia, cases of in country practice, 469; femoral, strangulation, death, 362; strangulated, recovery, 363
Hodges, Dr. R. M. A case of glandular proliferous cysts of the breast, 259; salivary calculi, 260; pieces of gutta percha bougie removed from the urethra, 260; a cavity in the parietal bone containing an encysted tumor, 260; compound dislocation of the semilunar bone of the carpus, 261; a bifid uterus and double vagina, 262; amputation of thigh in a boy of 13—death, osteo-myelitis—necrosis, 218; cases of removal of tarsal bones, 380, 381; operation for aneurism of brachial artery, 381
Homans, Dr. C. D. Case of calculus passed per urethram, 258
Hospital, Blockley, statistics of, 48; Massachusetts General, election of House Officers, 508
Hospitals, ventilation of, 506
Hours of labor, circular of State Commissioners, 262
Humerus, resection of, 198
Huntington, Dr. Elisha, death of, 465
Hydro-nephrosis, 104
Hydrothorax, with pneumonia, 363
Hypodermic injections, 343
Hypophosphites, their therapeutic value, 409

Imperforate hymen, case of, 257
Indians of Washington Territory, 429
Infantile syphilis, 67
Injection of air into abscesses, 347
Injury to odontoid articulation produced by exostosis, 202
Inoculation of rabbits with tuberculous matter, 493
Insane, hospital for the hopelessly, 448; New Hampshire Asylum for the, statistics of, 88
Intelligence, foreign medical, 48, 107, 504
Interments of deceased soldiers at Nashville, 168
Intermittent fever, discovery of its cause, 524
Introductory at Massachusetts Medical College, 305
Ives prize questions, 28

Jackson, Prof. J. B. S. Case of femoral hernia, 362; of monstrosity, 101; of hydro-nephrosis, 104; anencephalous fœtuses, 359
Jefferson Medical College, election of professor in, 48
Jeffries, Dr. B. Joy. Report on ophthalmia by, 56
Journals, medical, new, 408

Keep, Dr. N. C. Address before the Massachusetts Dental Society, 284
Kramer's Aural Surgery, 9

Labor, hours of, circular of State Commissioners, 262
Laryngoscope in diseases of throat, 283
Laryngoscopy in tumors of laryngeal nerve, 510
Lectureships, new, in the University of Pennsylvania, 147
Liebrich, Dr., correction concerning, 484
Lightning, deaths by, in France, 108
Luxation, partial, of radius, 63

Mack, Dr. D., Jr. Elephantiasis of scrotum, 429
Malignant disease of bladder, 220
March, Prof. Alden. Errors of diagnosis, 234
Marriages of physicians, 28, 148, 187, 228, 248, 268
Massachusetts College of Pharmacy, resolutions on Sunday closing, 306
Massachusetts, General Hospital, election of house pupils, 508; Medical Benevolent Society, annual meeting of, 307; State charities, 485; Dental Society, address by Dr. N. C. Keep, 284
Medical Association, American, 28; transactions of the, 127
Meat, Borden's extract of, 344
Medical Journal, new, in Montreal, 65
Medication in disease, necessity of, 269
Meningitis, cerebro-spinal, 356
Menstruation among the Chinese, 327
Minot, Dr. Francis. Nausea and vomiting of pregnancy, 49
Miscarriage, placenta prævia, 63
Modern plague of serpents, 503
Monroe, Dr. F. Le Barron. Bisulphite of soda as a remedy in measles and spotted fever, 253
Monstrosity, case of, 101
Morphia and atropia, antagonistic, 118
Mortification of nates, 362
Mott, Dr. Valentine, estate of, 48

Nashville, interments of deceased soldiers at, 168
Nates, mortification of, 362
Nearsightedness a disease, 69
Necessity of medication in disease, 269
Nélaton's fee from the Czarowitch, 127
New Hampshire Asylum for the Insane, statistics of, 88; Medical Institution, 366
New Orleans School of Medicine, 327
New York, health and mortality of, 66
Nitrous oxide, researches on, by G. J. Zeigler, M.D., 281; is it a safe anæsthetic? 116
Notices, bibliographical, 278, 337, 519

Ohio Northern Lunatic Asylum, 268
Oidium, another indictment of, fatal to human beings, 188
Oliver, Dr. H. K. Laryngoscopy in tumors of laryngeal nerve, 510
Ophthalmological Society, third annual meeting of at Heidelberg, 203
Ophthalmology, report on progress of in 1864, 56
Ovarian tumor, 62, 86
Ovariotomy, 63; four cases of, performed by Walter Burnham, M.D., 209; statistics of Dr. Keith's operations, 227; in France, 401
Ozone, 446

Page, Dr. Calvin G. Cases of cerebro-spinal meningitis, 100
Pamphlets received, 28, 88, 148, 168
Palmer, Dr. A. B. Report on typhoid epidemic, 129, 155, 169, 247
Parietal bone, cavity in, containing an encysted tumor, 260
Paris, English Hospital in, 391
Parks, Dr. Luther. Cases of uterine disease, 29; on a case of double pneumonia, with recovery, 103
Party-colored hair, 220
Pelvic hæmatoma, 360
Pennsylvania, University of, auxiliary faculty, 407
Pension-examining surgeons appointed, 268
Perchloride of iron in cancerous affections, 484
Perchlorure de fer, injections of, for aneurism of sciatic artery, 127
Pessary, glass, in vagina fifteen years, 201
Petroleum, production of in the United States, 128
Pharaoh's serpents, 503
Pharmaceutical Association, American, 108, 141
Pharmacy, Massachusetts College of, 306
Phthisis, curative treatment of, 65; prize essay on prophylaxis against, 28
Phymosis, accidental, with hydrocele, 304
Physician's Prescription Book (Pareira's) notice of, 344
Placenta prævia, 63
Plagiarism, 25, 66
Pneumonia, double, recovery, 103
Poisonous effects of a wasp's sting, 243
Politzer's illuminated membrana tympani, 9
Pomeroy, Dr. O. D. Successful closure of wound of sclerotic by sutures, 216
Pregnancy, nausea and vomiting of, 49
Preservation of food, 38
Pritchard, Dr., trial of for poisoning his wife and mother-in-law, 42
Prize essay on Prophylaxis as it relates to Phthisis Pulmonalis, 28
Prize, for essay on Medical and Vital Statistics, 268; for dissertation on Expectant Medicine, 286
Prize questions, by the Ives Prize Committee, 28
Prolapsus recti, effectual palliative for, 109

Providence Medical Association, 62, 200, 240; proceedings of, 440
Psoriasis, 309
Puerperal convulsions, 440
Pyelitis, 423

Quarantine and cholera, 324, 382
Question which should be settled, 481

Radius, partial luxation of, 63
Railroad accidents in Massachusetts, 308
Rain, an inch of, 87
Rectum, its Diseases, T. J. Ashton's work on, 523
Relations of Health and Disease, an address, 289
Renewal of life, Dr. Chambers's lectures on, 339
Report on an epidemic of typhoid fever at Maplewood Young Ladies' Institute, in 1864, 129, 155, 169, 247
Report of Committee on the "Progress of Ophthalmology in the year 1864," to the American Ophthalmological Society, 56
Resection of humerus, case of, 198
Resignation of Mr. Lawrence and Prof. Malgaigne, 107
Respiration, activity of the, 108
Review of Dr. Kramer's Aural Surgery and Aural Surgeons in England and Germany, 9; of Dr. Politzer's work on the Illuminated Membrana Tympani, 9
Reynolds, Dr. Wm. B. Case of resection of humerus, 198
Richardson, Sir John, death of, 68
Richmond Medical Journal, 327
Robertson, Dr. Felix, of Nashville, Tenn. death of, 27
Rice, Dr. David. Necessity of medication in disease, 269; can typhoid fever be broken up? 494
Rupture, of abdominal parietes and birth, 328; of stomach, by a fall, 202
Russian plague, action of city government with regard to quarantine, 63

Salivary calculi, 260
Sanitary inspection of the city, 462
Scabies, recent researches on, 72
Scarlatina among swine, 108
Science, social, 106
Sclerotic, wound of, successfully closed by sutures, 216
Scrotum, elephantiasis of, 429
Selected papers, 20, 34, 38, 56, 72, 95, 118, 121
Semilunar bone of carpus, compound dislocation of the, 261
Sewers and their evils, 322; ventilation of, 507
Sinclair, Dr. A. S. Case of pelvic hæmatoma, 360
Skin, Student's Book of Diseases of (Wilson's), notice of, 278
Smallpox produced by cow vaccine, 168
Snow, Dr. Simeon, death of, 228
Social Science, 106; American Association for the Promotion of, 221
Spotted fever in Rhode Island in 1810-14, 237
Sprague, Dr. F. P. Dermoid tumor of conjunctiva, 389
St. Louis, clinical facilities in, 407
Stomach, the Diseases of, work by Wm. Brinton, M.D., 283
Storer, Dr. Horatio R., appointed Professor of Obstetrics in Berkshire Medical College, 168
Stricture, annular, of intestine, 441
Subcutaneous injections, danger of, 347
Suicides in France, 447
Sulphites in cattle plague, 447
Surgery, conservative of upper extremity, five cases of, 149; the Principles of, work by James Syme, F.R.S.E., 522
Surgical cases from the records of the City Hospital, Boston—first paper, five cases of conservative surgery of the upper extremity, 149; second paper, five cases of partial amputation of the foot, 189; third paper, two cases of ligature of the lingual artery, 214; fourth paper, three cases of cut throat, 229; fifth paper, four cases of extravasation of urine and perineal section, 249; sixth paper, two cases of vesico-vaginal fistula, two cases of thyroid tumor, 320
Swine, scarlatina among, 108
Syphilis, infantile, 67
Syphilization, Prof. Boeck on, 20

Tarsal bones, removal of, 380, 381
Temperance, use of alcohol in the preparation of medicines, 87
Tennessee Hospital for Insane, 328
Thigh, amputation of, in a boy of thirteen years, tetanus, death, 218
Thompson, Dr. A. W. Fistula in ano, 496
Thyroid tumor, cases of, 331
Tibia, injury to, 442
Townsend, Dr. William E. Cases of diphtheria, 104
Traver, Dr. H. H. Case of hernia cerebri, 200
Trial of Dr. Pritchard in Edinburgh, for the murder of his wife and mother-in-law: scientific evidence in the case, 42
Tuberculous matter, rabbits inoculated with, 483
Tumor, fibrous, weighing half a pound, removed from the breast of a girl of fourteen, 201; ovarian, 62
Typhoid fever, report on an epidemic of, at Maplewood Young Ladies' Institute, 129, 155, 169, 247
Typhoid fever, can it be broken up? 494

United States Army Surgical Reports, 467
Urine, extravasation of, 249

Uterus, bifid and double vagina, 262; hypertrophied, successfully removed, 209; successful removal of, 400
Uterine disease, cases of, 29

Vaccination in Great Britain, 288
Vaccine matter from the cow, producing smallpox, 168
Vagina, double, and bifid uterus, 262; absence of, 201
Variola and vaccinia, relations of; recent reports to the French Academy of Medicine, 84
Ventilation of hospitals, 506; of sewers, 507
Vermont Medical Society, 286
Vesico-vaginal fistula, cases of, 329
Vital statistics for the week, 28, and weekly

Wakefulness, Dr. W. A. Hammond's work on, 521
Walsh, Dr. P. D. Contagiousness of cholera, 432
Wasp sting, poisonous effects from, 243
Wheeler, Dr. W. G. Malignant disease of bladder, 220; case of hernia, 363
White, Dr. James C. On psoriasis, 309
Wilder, Dr. A. M., Surgeon U. S. V., brevet promotion of, 108
Williams, Dr. Henry W. Nearsightedness a disease, 69; successful removal of cataract of eighty-three years standing, from a patient ninety-three years old, 94

Zeigler, Dr. George J., note from, 66
